Career Objective

Motivated B.Voc Software Development graduate seeking an entry-level Software Developer, Web Developer, or Frontend Developer role. Skilled in frontend development using HTML, CSS, JavaScript, React.js, and Bootstrap, with project exposure to Node.js, Express.js, MongoDB, REST API integration, debugging, and deployment via GitHub and Vercel.

Education

B.Voc in Software Development | Baburaoji Gholap College, Sangavi, Pune | 2023 – 2026 | CGPA: 8.0

Projects

Personal Portfolio Website

React · Node.js · Express · MongoDB · Vercel | my-portfolio09-beta.vercel.app

- Built a portfolio with React frontend and Node.js/Express backend (project exposure), deployed on Vercel.
- Integrated AI chatbot, WhatsApp contact form, particle animations, and responsive design.
- Independently debugged deployment errors and configured CI/CD via GitHub.

React Weather App

React · OpenWeatherMap API · Vercel | weather-app-seven-fawn-35.vercel.app

- Developed a weather app with live API integration, GPS auto-detection, and dynamic UI themes.
- Features: 5-day forecast, °C/°F toggle, search history, and sunrise/sunset display.
- Deployed on Vercel with secure API key management via environment variables.

Chhatrapati Shivaji Maharaj Historical Website

React · JavaScript · HTML · CSS · Vercel | ch-shivaji-maharaj.vercel.app | [GitHub](#)

- Developed a responsive historical website with structured content and interactive sections.
- Implemented responsive UI using React, JavaScript, HTML, and CSS; deployed on Vercel.

Personal Finance Analyzer

Python | github.com/somnathhake09/personal-finance-analyzer

- Built a Python-based project to organize and analyze personal income and expense data.
- Applied core Python concepts to calculate financial summaries and identify spending patterns.

Technical Skills

Frontend: HTML, CSS, JavaScript, React.js, Bootstrap

Backend: Node.js, Express.js (Project Exposure)

Database: MongoDB Atlas (Project Exposure)

Programming: Python

Tools: Git, GitHub, Vercel, VS Code

Development: REST API Integration, Debugging, CI/CD, AI-Assisted Development, Deployment

Certifications

Full Stack Development 101 — *Simplilearn*

Python for Beginners — *Simplilearn*

Python Programming — *CoDing SeeKho*

Soft Skills

Teamwork · Communication · Adaptability · Quick Learner · Problem Solving · Self-Motivated
